

Leigh's School of Dance News

November Edition

Hello Everyone!

I hope everyone had a spook-tacular Halloween. We sure had a great time with all of our dancers at our Halloween dance parties. I just wanted to keep everyone posted on our events coming up. Your 1st portion of the recital production fee is due Nov 5th. For those of you signed up for the automatic payment, your production fee will be drafted with your November tuition. Dancers in the Tiny 2's classes do not participate in the recital, so this fee does not apply to you.

Please put your dancer's name on everything they bring to dance. We realize you spend a lot of money on your dance shoes. If they get left behind we try to make every effort to get your belongings back to you if their name is in them.

Thank you so much for choosing Leigh's and let us know if you have any questions or concerns!!!

Help Keep Our Dancers Healthy

In our effort to keep everyone healthy we are asking you to remind your children about germ etiquette. We remind the students to cough in their elbow and to wash/sanitize hands regularly. If your child has missed school due to illness, please keep them home to rest during dance hours too. Sick dancers do not perform well in class. Physical activity during the recovery of a recent illness can cause their symptoms to return. Thank you for your help and cooperation in this matter, we truly do want to keep all of our students healthy!!

If you do not want to receive this email please reply to this email with remove as the subject.
